Message from our Campus Principal

Well, here we are, almost at the end of the first term. The parent/student/teacher conversations will be taking place on the last Wednesday evening and Thursday of the term. It is important that all parents and students attend these meetings, especially if the students are in Year 11, especially if this is the first time that you have been involved with the University Campus. The requirements and consequences, for students in VCE and VCE/VM are very different to what comes before they start Year 11. For this reason, please make the time to book meetings with your student's teachers.

This is generally a time of the school year when students and teachers are under pressure to complete tasks related to demonstrating outcomes. Teachers have been told that if students are at risk of not meeting outcomes and could therefore fail a unit, parents need to be contacted by a phone call. This is so teachers can make it clear to parents what students need to do to meet outcomes and the things parents can do to help them. If you have received a missed phone call from school please give us a call back.

Congratulations to our recently elected Year 11 School Vice-Captains, Gabby Bonnici and Brayden Young.

Finally, a short story about Ryan Runge, a student who completed VCE with us in 2021. Ryan wasn't a bad student but his great passion was never school, it was always radio. He volunteered on local community radio and worked part time at 3TRFM. When he finished his VCE, university was never part of his plan, it was always to head to Melbourne to work in radio. And now, a year and bit later, Ryan is the producer and panel operator for Neil Mitchell's morning show on 3AW, the highest-ranking radio show in Melbourne, and taking phone calls from Albo to see if Neil would like to talk to him. I'd love to be able to say that this

is another Kurnai success story, but this is all about Ryan. It shows what can be achieved if you dedicate yourself completely to following your passion. Follow the link below to see the national award Ryan has won for his work at 3AW. <https://radiotoday.com.au/new-role-with-3aws-neil-mitchell-for-30-under-30-winner-ryan-runge/>

I look forward to seeing you at the parent/student/teacher conversations Wednesday 5th April and Thursday 6th April.

Mr Geoff Block

University Campus Principal

Calendar of Events

Key Dates

Term 1	
Sat 1 Apr	Easter in Yinnar Music Performance
Wed 5 Apr	Dairy Farm Visit CQU University

Message from the College Principal

G'day everyone,

It's been a super busy term across our campuses with everyone focussed on improving their learning. I've been super impressed by the excellent work I've been seeing in the classes I visit and even more satisfying is seeing the great way our students, their teachers and classroom assistants are working together.

We have had some staffing challenges and it continues to be a challenge to find teachers and other staff, but we are not as desperate as some schools in Gippsland, and I'm pleased that our education program hasn't had to be reduced.

The athletics sports were a highlight for the many students who participated and enjoyed the day, and we are thankful to our staff team who organised the event lead by Ms Dodd.

Morwell campus building project is virtually complete and the school is looking great and providing an awesome place for our students to learn.

Have a great easter and don't eat too much chocolate!

Anthony Rodaughan

College Principal

School Captains

University Campus

Kurnai College University Campus College Captains Jazmine Sanders, William Bonnici, and Kerwin Valdez were inducted into their roles during Kurnai College's Awards Ceremony held in December 2022.

"It's truly an honour to be school captain. I look forward to hearing the voice of the Kurnai Community and making a positive change," said Will.

"I am wanting to help promote mental health and be a voice for our students", said Jazmine.

Churchill Campus

Bryleigh Matthews and Sidney Townsend have been inducted at the Churchill Campus as School Captains alongside, Vice Captains Zoe Woodward and Bobby Aarons.

"Being school captain gives me the opportunity to make this incredible school even better," said Sidney.

"I want to make sure students feel like they are heard and included in the school community," said Bryleigh.

Morwell Campus

At the Morwell Campus, School Captains Kieran Webb and Ayla Schiavello were inducted as School Captains.

"I'm very excited to be able to give students a voice," said Ayla.

"With all the activities planned, I can't wait to see how much of an improvement we can make to the college this year," said Kieran.

To see all the School Captains' introductions: <https://kurnai.co/captains>

Athletics Day

The last day of summer, Tuesday 28th February provided a perfect warm day to host Kurnai College's Inter House Athletics Carnival at Joe Carmody Reserve in Newborough on.

Students from across the College came together and participated in various track and field events, novelty events such as limbo, longest footy kick, or the balloon toss, or simply spent a relaxing day catching up with their friends.

Forsyth prevailed and took out the Kurnai College House Athletics Championship Cup winning by a whopping margin of 392 points ahead of runners up **Thorpe**.

It was fantastic to see the students competing, striving to do their best for their house, and getting into the spirit of the day by getting involved and dressing up in their house colours. Congratulations to all our competitors and we wish our top performers all the very best in their efforts for the Wellington Athletics Carnival that will be held next term. A huge thank you to all the staff and students from Kurnai College for their efforts and to the Health and Physical Education staff for their professional running of the day.

Music News

Yinnar Food Truck Festival

Our music students from across the College have had a very busy start to the school year. Students came together to perform at the *Yinnar food truck festival*, it was a fantastic opportunity for our students to have been invited to participate in this great local community event.

Welcome BBQ

During the term we welcomed new families to the College with a BBQ and musical entertainment at both Morwell & Churchill junior campuses. This gave our Kurnai College community the opportunity to see and hear first-hand our wonderful musicians at work and the possibilities that exists for new students wanting to be involved in our music program.

V.C.E Workshop

During the school holidays we will host a V.C.E music workshop aimed at refining our student's aural analysis, theory and performance skills in preparation for end of year examinations.

Easter in Yinnar Collaboration

On Saturday the 1st April our College has been invited to perform at the Easter Celebrations in Yinnar. We will be performing in collaboration with Traralgon College and our students are very much looking forward to the event. Please come along from 4-6pm and support our performing arts students.

What to Learn a musical instrument?

Student wanting to learn a musical instrument, we have limited spaces available for brass & woodwind instruments. Please collect an expression of interest form from the general office, or speak to the College Music Coordinator, Mr Chris Gretton to find out more information.

Sports News

Wellington District Cricket

During week 6, Kurnai College had three integrated teams from the Churchill Campus and Morwell Campus represent the College at the Wellington District school cricket.

While neither the Year 7, Year 8 or Year 9/10 teams came away with a win from their respective 20/20 games, the students had fun participating and working together as a team while upholding the school's pillars; engagement, excellence, relationships and work ethic.

School Values

Kurnai College's four pillars underpin all aspects of our work.

Kurnai College
PATHWAYS TO SUCCESS

Excellence

We do the best
that we can do

Kurnai College
PATHWAYS TO SUCCESS

Engagement

We actively participate
in our own learning

Kurnai College
PATHWAYS TO SUCCESS

Work Ethic

working hard

Kurnai College
PATHWAYS TO SUCCESS

Relationships

We value and respect
each other

School News

Parent Teacher Interviews

Parent Teacher Interviews will occur on Wednesday 5th April 3.30pm - 7.00pm and Thursday 6th April, 10.00am - 1.00pm. There will be no scheduled classes on Thursday 6th of April, therefore the last day of classes, Wednesday 5th April, is a full day with the usual 2:50pm finish.

Booking for Parent Teacher Interviews will open on Monday 27th of March and you will be notified via the Compass Parent Portal when they open.

VCE VM Sport & Recreation

During term one, VCE VM students have been participating in a range of passive sports and recreational activities within the local community as part of the curriculum.

During week three the class went for a lawn bowls experience at the Morwell Bowling Club. It was also part of community connection, meeting and listening to older generations of the community.

During week five the students went to the Morwell Archery Range. A sport many of the students have not tried before and said it was really good fun.

This week the students went to Wyncity Bowling Alley to participate in 10-pin bowling and laser tag. They learned about the associated technical skills of bowling and the social skills associated with participating in recreational sports within the public domain.

YR 11 VCE Biology - Tech School Excursion

On Wednesday 1st of March, the Year 11 Biology classes attended a laboratory workshop offered by the Gippsland Tech School.

In the lab, students built on their understanding of genetic inheritance from class by using gel electrophoresis to profile the DNA of different family members suspected of carrying the gene for sickle cell anaemia. Through this process, students were able to identify the mode of inheritance for sickle cell anaemia and determine who in the family were carriers and who was affected.

VCE Theatre Studies Excursion

As part of their VCE Theatre Studies, students engage with professional performances.

The students recently travelled to Melbourne to watch Harry Potter & The Cursed Child theatre performance at the Princess Theatre, Melbourne. The play incorporated sophisticated theatre technologies and stagecraft including set, lighting, costume, and make-up, and referenced the theatre styles of magic realism and drama. Students had a great time exploring Melbourne, viewing an award-winning international production, and then meeting the cast and crew.

Gormandale & District P.S. Athletics Day

The VET Cert III Sport and Recreation class has been busy planning and preparing an athletics day event for Gormandale & District Primary School this term. The planning involved working together to gain experience and insight into the behind-the-scenes organisation that takes place for such an event. From advertising, risk assessments, organising ribbons and prizes, planning events, preparing budgets, organising a lunch menu, amongst other things, the students did it all.

On Wednesday 8th of March, on a blustery cold Autumn Day, the students went out to Gormandale and facilitated the event. They did an incredible job teaching the primary school students to participate in the athletic events, which was the first time for quite a few. The primary school students had an absolute ball and participation was at an all-time high. The feedback from the primary school students was that it was "really fun" and the staff at Gormandale primary school could not have been happier with how the day went (they wished it had run longer). It was a great day had by all and the VET class did a remarkable job, well done!!

Kurnai Chess Competition

The Kurnai Chess Competition has started in the library this week. Kerwin Valdez with the help of Jacob Dijamco have organized the competition for the many students who enjoy playing chess. Over 30 students have signed up to play.

Over the past few weeks Kerwin has been recruiting players and gaining student interest.

The competition will continue until the end of term.

Important School Information

CSEF

The Camps, Sports and Excursions Fund (CSEF) provides payments for eligible students to attend activities like: school camps or trips swimming and school-organised sports programs outdoor education programs excursions and incursions. From 2020, the Victorian Government is investing an additional \$160.9 million for the Camps, Sports and Excursions Fund over the next four years. This funding will help ensure more than 220,000 government and non-government students from lower income families can participate in camps, sports and excursions each year.

Applications close 16/06/2023

 [CSEF Application.pdf](#)

2023 College Council Elections Nominations

Congratulations to Bronwyn Woodward, Jason Phillips, Elizabeth Barkley and Louise Watson on their successful election to the College Council. We hope your time as councillors will be enjoyable and productive.

We are also delighted to be able to announce that Dan Swallow from the Morwell Campus and Matthew Suter & Peter Townsend from the Churchill Campus have been declared DET Representatives.

A big thank you to all elected councillors for being prepared to take on this important role.

Code Red Fire Danger

A reminder to all families, that on days of **Code Red** in the West & South Gippsland Fire Zone, all campuses will be closed.

This is a change to previous years, and we ask families to be aware of this in preparation to when Summer returns.

Kurnai College will be **closed** on days of **Catastrophic (Code Red)** Fire Rating

School Procedures for the Bushfire Season

Schools on the Bushfire At-Risk Register and Schools at Risk of Grassfire (Category 4)

Fire danger ratings and warnings are used in Victoria to provide clear direction on the safest options for preserving life.

Schools and children's services listed on the DET Bushfire At-Risk Register (BARR) and those at risk of grassfire (Category 4) will be closed when a Code Red fire danger rating day (Catastrophic) is determined in their Bureau of Meteorology district. **Our school has been identified as being one of those at high bushfire or grassfire risk.**

Where possible, we will provide parents with up to four days notice of a potential Code Red day closure by Compass or SMS. A Code Red day will be determined by the Emergency Management Commissioner no later than 1.00 pm the day before the potential closure. Once we are advised of the confirmation of the Code Red day (Catastrophic) we will provide you with advice before the end of the school day.

Once confirmed, the decision to close will not change, regardless of improvements in the weather forecast. This is to avoid confusion and help your family plan alternative care arrangements for your child. It is also important to note that:

- No staff will be on site on days where the school is closed due to a forecast Code Red day (Catastrophic).
- School camps will be cancelled if a Code Red fire danger rating day is determined for the Bureau of Meteorology district in which the camp is located.
- All bus routes that travel through the Code Red area will be cancelled.
- Depending on which Bureau of Meteorology district is impacted bus route cancellations may affect our school.

On these Code Red days families are encouraged to enact their Bushfire Survival Plan – **on such days children should never be left at home alone or in the care of older children.**

For those of us living in a bushfire prone area, the Country Fire Authority (CFA) advises that when Code Red days are forecast, the safest option is to leave the night before or early on the morning of the Code Red day .

As part of preparing our school for potential hazards such as fire, we have updated and completed our Emergency Management Plan, re-prioritised any maintenance works that may assist in preparing for the threat of fire and cleared our facility's grounds and gutters.

What can parents do?

- Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements in the event that our school is closed.
- Ensure we have your current contact details, including your mobile phone numbers. Keep in touch with us by reading our newsletters, by checking our website kurnai.co and by talking to your child's teacher or any other member of the teaching staff about our emergency management plan.
- Most importantly at this time of year, if you're planning a holiday or short stay in the bush or in a coastal area, you should check warnings in advance of travel and remain vigilant during your stay.
- If your child is old enough, talk to them about bushfires and your family's bushfire survival plan.
- You can access more information about children's services closures on the Department of Education and Training website – see <http://www.education.vic.gov.au/about/programs/health/pages/closures.aspx>

Multiple sources that offer information on emergencies are listed below:

- VicEmergency app – that can be downloaded on your android and iOS mobile devices
