Message from our Campus Principal

Term 4

This term has started smoothly, with students returning to learning with great enthusiasm. It's amazing the effect that a little bit of sunlight has, even when it is poking through rain.

We have also started the term off with a full staffing complement, with Xander Byng coming on board to replace Mark Heiberg while he is on leave for the remainder of the year. Xander has been working hard to get to know his new students and is enthusiastic for what he can offer to the school with his previous experience in the Humanities workforce prior to teaching. Welcome to Kurnai, Xander. We hope you're with us for some time to come!

We also welcome a range of new students this term. Enrolments have been flowing in, some to start immediately and many more lined up to start with us in Headstart in just a few weeks. Kurnai College is certainly the school of choice for people and we are pleased to be offering a community that is so welcoming and supportive.

Our Music staff have kicked off the term strong with a fantastic event in Kurnai's Got Talent. I loved watching the final this week and experiencing the incredible talent on offer in our Campus and College. Congratulations to Kara Phillips and Simon Menorias who did a fabulous job on the night. They may not have placed, but held themselves well as Year 7 students against the experience of the University Campus performers. We were also pleased to congratulate the first, second and third place students, two of which originated at

Morwell
Campus
and have
shared
their
talents
with us at
a number
of music

events – Chase Edwards and Lucas Crivari-Evans.

Our transition program has also kicked off for incoming Grade 6 students with select students from two schools now having come on site to spend some time with our staff and get used to secondary school before they start their Orientation In December. We are excited to be welcoming another five classes of students into Year 7 next year showing a huge growth in our learning community. With this comes lots of new teaching positions that we need to fill and we are working through that process at the moment.

Permission forms are now also out on Compass for our annual Gumbuya World trip. This is a great event for all of our students across the College and rewards the solid year of work our students have engaged with. It is an enjoyable day and we look forward to welcome all students to join us on the day. It is really important that parents provide the consent on Compass so please contact our office if you are having difficulty doing so.

Finally, for those of our Morwell families who also have students at the senior campus studying VCE Year 12, we pass on our best wishes good luck for their exam period. This is one of the hardest times they will experience but there is light at the end of the tunnel! I have just had the pleasure of signing each of their graduation cards and remember back to their year level fondly.

Mr Dan Swallow

Morwell Campus Principal

Message from the College Principal

G'day everyone, it is great to be back after more than a term away and I would like to thank everyone for their wishes and support whilst I have been on leave. In particular, I would like to thank Matt Jobling and the principal team for their support and their leadership whilst I was away.

The college has completed a review during Term 3 which is always a demanding time and the team, led by Matt has managed the demands of the term with competence and skill.

I had the privilege of attending this year's Kurnai's Got Talent on Tuesday night in the Drama Room at Morwell Campus. This was an excellent showcase of our emerging talent and an event we all look forward to. This year Kurnai College Council has provided some of the prizes for the winning students in recognition of their outstanding efforts. Our Music Team does a great job organising this popular event which has grown in status and accomplishment since its early beginnings.

Last Thursday I had the pleasure of attending the Gippsland Year 12 Koorie graduation ceremony at the Italian Australian Club. Kurnai was well represented at the event with five graduating Year 12s. This year across Gippsland 26 Indigenous students successfully completed Year 12 which is a huge improvement from several years ago when sometimes the only Year 12 graduates were from Kurnai. Hayden Edwards, an ex-student and member of our Koorie Support Team was the emcee at the event and did a fabulous job. Two of our former students, Anna Solomon, currently working at DFFH and Talia Cooke, currently a second year student studying medicine at Monash University, presented on their educational journey and spoke fondly of the support they received while at Kurnai. This was a

very positive event full of optimism and achievement and we congratulate Kian Johnston, Jenna McLauchlan, Shanique Rohde, Anakin Terrick, and Mikayla Butler-Cooke. Their graduation is also a testimony to the teachers, support staff and their families who have helped them along their journey. Next Friday our Indigenous Support Team will travel to represent us at the Department of Education's Victorian Education Excellence Awards in Melbourne. I know that everyone is grateful for the excellent work that they do and as they have now reached the finals and are down to the top three entries across our state, we congratulate them for their achievement so far and wish them well next week.

Anthony Rodaughan

College Principal

Outstanding Koorie Education Finalist

Kurnai College is extremely proud to announce that our Koorie Support Team has been shortlisted for the prestigious Victorian Education Excellence Awards for 2023.

Our Koorie Support Team, consisting of Marina Cooper, Hollie Johnson, Tre Moffatt, and Hayden Edwards have been shortlisted for the Outstanding Koorie Education category for their commitment and dedication to our Indigenous students and their families.

We wish them all the best at the awards ceremony later this month in Melbourne.

All finalist details can be viewed on the Department's website at:

<https://www.vic.gov.au/victorian-education-excellence...>

Music News

Monash Medical Orchestra Collaboration:

During the term 3 holidays current staff, students and Kurnai Alumni performed in collaboration with the Monash Medical Orchestra as a part of the 'Music for the Valley' performance. It was an amazing opportunity to perform with a 90-piece orchestra and jazz ensemble. The concert was held at the Federation University (Churchill Campus) and was well attended by our local community with dignitaries Professor Andrew O'Loughlin, Cr Kellie O' Callaghan & Professor Shane Bullock in attendance. The performance was well received ending in a standing ovation. We were honored to be given the opportunity and are looking forward to collaborating with Monash University into the future! A most wonderful and entertaining night of music for all!

Below are student reflections:

The Monash Medical orchestra and Kurnai college performance collaboration rehearsals have been such a great experience. Kurnai students and staff have been granted this spectacular privilege to perform with the medical orchestra, along with been given the chance to practice and learn new techniques and skills from the medical students. Being able to rehearse with the medical students was so much more than I expected, along with learning new skills and meeting new people I otherwise never would have met. I am so lucky that I have the chance to participate in a professional performance and collaboration as this is something I have always wanted to do.

-Lexie. S

I really enjoyed the medical orchestra rehearsal and performance and found it to be something great and a great opportunity. I was amazed by the diversity of the campus and how talented the students were. I had a lovely time performing and rehearsing.

-Jayda. A

I thought the performance and rehearsals were great and such an amazing experience. It's certainly something I never thought I would be able to do. I had such a great time practicing with the Monash students and an even better time performing at the university. I thank Mr.G for organising the collaboration and for giving me the opportunity to perform. I will never forget performing with the medical students and getting to learn new skills and techniques for playing drums. Thank you again to the teachers who made it happen and for the people who made it even better.

- Lucas. C.E

Thank you to Mr. G, Mr. Hopkins, and Ms. Simms for organising the collaboration with Monash university and the amazing people we all got to work with. We are all grateful for the experiences and new skills we gained from performing. This is certainly something all of us will carry with us for the rest of our lives. Thank you again for everything.

Kurnai's Got Talent:

On Tuesday the 17th October participants from Morwell, Churchill & University Campuses battled it out at the Kurnai's Got Talent Grand Final. The event went extremely well, and audiences were delighted by the diversity of the performances including musical theatre, dance routines, solo vocalists and band performances. We're very proud of all those who performed and thank them for their contribution and dedication. Kurnai's Got Talent is a great opportunity for students to showcase and refine their performing arts skills in a live and professional setting.

Thank you to everyone that contributed to making Kurnai's got Talent 2023 a hugely successful event!

100 Word Story Competition

This year we set our students the challenge of writing a whole story in only 100 words. Any student could enter and there were some outstanding stories submitted. A selection of the better stories will be found in this year's Kurnai Yearbook which will come to all students in late November.

Four stories were outstanding and each of the writers have won themselves a QBD book voucher. The winner students (in alphabetical order) are:

- Flynn Hanson
- Amber Hoggard
- Thomas McKay
- Lachan Savige

They will receive the book vouchers this week.

You can read their stories (and many others) in this year's Kurnai Yearbook.

School Values

Kurnai College's four pillars underpin all aspects of our work.

Excellence
We do the best that we can do

Engagement
We actively participate in our own learning

Work Ethic
We are committed to working hard

Relationships
We value and respect each other

Year 7 & 8 News

Welcome back to Term 4! Term 4 is always a busy term for transition, assessments, and activities. It has been impressive to see students and classes getting straight back into the swing of things after a well-earned break.

Important Dates

As we head towards the tail end of the year, there are various important dates to remember.

Week 4: 25th of October – Year 7 immunisations

Week 6: 6-7th of November – Staff PPD Day/Melbourne Cup (Student Free Days), LBU released.

Week 8: 24th of November – Assessment Day (Student Free Day)

Week 9: Feedback and skills week

Week 10: Headstart (2024 Year Levels)/Orientation

Week 11: Headstart (2024 Year Levels)/Orientation/Gumbuya World/Student Activity Day/College Awards

In addition, CAT week will run in Week 7/8. These CAT weeks will be particularly important as Semester Reports will be sent out this term. For Year 8s, this will be their last assessments in the 7/8 Learning Community. For Year 7, a sense of pride should form as they finish their first year of high school.

Tech School

On the 10th, 11th and 12th of October, Year 7 and 8 students visited Tech School.

Year 7 Students completed three activities related to space, including designing a Moon Station using 3D computer programs, experiencing life as an astronaut using VR headsets, and learning to control robots and using the robots to model an expedition on Mars.

Year 8 Students completed two activities that focused on renewable energy. They built a system that allowed a light bulb to be powered using hydrogen, as well as measured the voltage output of solar and wind power. Students then worked in teams to design a city powered by various energy sources. – Ms Qu

In week two I went to the Gippsland Tech School I had fun, engaging games with the like table tennis, Kahoot, ect. We did some pretty cool activities like VR headsets, coding with some robots in space and making a 3D base that is suitable for a habitat on the moon.

- Trey Merlo, Year 7

Kurnai's Got Talent

This year, Morwell Campus was represented by two students in Year 7. Simon Menorias, who belted out some amazing singing, and Karalyn Phillips, who delivered impressively choreographed dance routines. Credit is due to these Year 7 students, as they have spent months auditioning and rehearsing leading up to the night. To be able to perform at a college wide event so confidently and with such success is impressive.

Daniel Murphy

Junior Sub-School Assistant Principal

Year7/8 Team Leader

Year 9 News

As we move into the final weeks of the school year, we have several key dates and important events coming up. The Year 9 students will soon start discussing pathway opportunities for Year 10, to support their learning goals and career ambitions. This is a great chance to start talking at home about what your student wants their future to look like. We understand that young people don't always know what

they want their future careers to look like but parent involvement in careers conversations is considered one of the most important contributors to motivation, retention and career outcomes.

Your Year 9 Team

Ross Johnson: Year 9 Team Leader

Denise Cairnduff: Disability Inclusion Specialist

Shawn Jordan: Art Teacher

Tyron Forscutt: Health & Physical Education Teacher

Shannon Heiberg: Math & Science Teacher

Nia Whitney: Humanities Teacher

Emma Hudson: Advocate & Drama Teacher

School Wide Positive Behaviour Support (SWPBS)

We will continue to acknowledge and reward students for their positive behaviours and will no doubt flood your phones with Kurnai Positive Acknowledgements (KPAs). On that note, it has been fantastic to see students settle back into the Kurnai Learning Community and being acknowledged with KPAs for their positive behaviours in the classroom.

KPA Data Term 4 Weeks 1-2

Attendance

This year our aim is to improve student attendance rates to an above 95% average. If you student is absent, please contact Kurnai's absence hotline on 5132 3711, or contact Ross Johnson directly via Compass.

Attendance Average per Form Group

- 9A - 84%
- 9B - 72%
- 9C - 73%
- 9D - 79%

Learning Behaviour Updates

LBU's will be released in week 5 of this term. I encourage you to sit down with your child and review their progress and continue to set goals to help them achieve their own academic success.

Year 10 VCE Subject Selection & Year 10 Pathways Program

On Wednesday 25th October staff from the university campus will be attending the junior campuses to discuss the possibility of students undertaking a VCE subject as part of their year 10 studies. Students will hear about VCE expectations as well as benefits of undertaking a VCE subject in Year 10. Please see below the advantages for undertaking a

VCE subject: Students will be able to experience the senior campus firsthand, which will make the transition from Year 10 to Year 11 much easier. Students will be exposed and prepared for VCE subject requirements the following year. Students will have an opportunity to study a Year 12 subject while in Year 11 which will allow for more flexibility in their final year of schooling. After the presentation, students will receive an application form with the subjects available to choose from in which they will be asked to put in order of preference. The form will need to be signed o by parents/guardians as well as teacher approval and submitted no later than the 10th of November. Preference will be given to first applications handed in.

Staff will be also discussing the Year 10 Pathway's Program with students. The Year 10 Pathways is a program ran out of Kurnai Senior Campus at Churchill. Students will undertake a full classroom timetable with elements of applied learning with a career focus. Students will have the opportunity to work within the community, at local primary schools. Students must submit a formal application and will be required to interview with university staff, Ross Johnson and their parent/ guardian to be considered for the program.

Around the classrooms

HPV:

On Friday 6th October the Kurnai Racing Team took their racing trikes to Casey Fields for one last practice session before the 24-Hour Energy Breakthrough Event at Maryborough.

Throu
ghout
the

day we tested our modifications that we have made to the vehicles in particular our new vents and defoggers to increase airflow. Over the day we were split into 4 teams and managed to ride a combined 522km (This is the same as riding from Morwell to the South Australia border).

Media Studies:

In Media Studies, students have been consoling their knowledge of symbolic and technical media codes by creating Media Artworks, such as advertisements and music videos. This

required students to develop, film, edit and distribute their artworks. Attached are some examples of print media advertising students have created.

Hands on Learning

Over the Semester we have been building a Gaga Pit. Building the Gaga Pit has allowed us to put all aspects of our Hands on Learning into practice from measuring and cutting to landscaping. Hopefully, the weather starts to clear up and we get to see students playing games of Gaga in the near future.

Important Events

Wednesday Week 4 – Year 10 Pathways & Year 10 VCE presentations

Week 5 – LBU reports published

Week 7 – Outdoor Ed Camp – **Permissions are now due. Contact Patrick McGrath for any issues or concerns.**

Week 8/9 – HPV Energy Breakthrough - **Permissions are now due. Contact Ross Johnson for any issues or concerns.**

Contact Details

I (Ross Johnson) have now returned from Parental leave. I would like to personally thank Erin for the contribution she has made to supporting the Year 9 students and the local learning community.

If you have any concerns regarding your Year 9 student, please don't hesitate to email me Ross.Johnson@kurnaicollege.vic.edu.au or via phone on 5165 0600.

Ross Johnson

Year 9 Team Leader

Year 10 News

For all Year 10 students there is only five weeks left. How time flies!!!
There are a lot of dates to be aware of below as our Year 10 students become Year 11 on November 27th.

Year 11 Courses for 2023

Most students have signed up for their VCE or VM courses for next year. If you wish to change your course please supply Mrs Tangi with a permission note from a parent or guardian.

Team Members

Sheryl Tangi (Team Leader Maths / Science and Numerack)

Alana Andrews (MyIns Specialist, English)

Angela Thomas (Art and Photography)

Froso Pizzi (Maths and Tr@k)

Ben Kimpton (Maths, Humanities)

Marg Tomnay (Science KLD Leader, Astronomy)

Stacey Miller (English, Humanities)

Serena Yang (Maths, Science)

Camp

Congratulations to all those students who attended the camp to

Tasmania at the end of last term. All went well! A number of students really enjoyed the plane trip and the overnight travel on the Spirit of Tasmania. They visited many of the tourist sites on their travels.

Attendance

This year we will be trying to increase student attendance rates especially at Year 10. We would really appreciate a phone call to the 24-Hour attendance line if your child is absent from school. This helps our attendance officer track students and improve our % attendance for each student.

PBS

Students can receive a KPA SMS message to parents from teachers each lesson for positive behaviour. Students are also receiving postcards for displaying consistent behaviours for the four school pillars of Excellence, Relationships, Work Ethic and Engagement. This year we will be rewarding students with great attendance to school and for GPA reports at or above 3.5.

Dates to Remember

Monday November 6th	Student Free – Staff PPD Day
Tuesday November 7th	Melbourne Cup Public Holiday

WEEK 6 & 7 – 8th – 18th November	CAT Weeks
Wednesday 15th November	VET Orientation Day – For all students who have signed up to a VET
Wednesday 22nd November	Year 10 Formal 6 pm – 9 pm – Italian Australian Club Morwell
November 23rd – 27st	HPV Camp
Friday 24th November	Report Writing Day for staff – Student Free day
Monday 27th November	First Day of Year 11

Reminders

- Students will require a device (please contact us if you need some support).
- Students need to be at school by 8:35 am.
- Students need to be in complete school uniform (please contact us if you need some support).
- NO MOBILES during school hours

Contact Details

If you have any questions or concerns regarding Year 10 students please don't hesitate to e-mail us or phone on 51650600

Year 10 Team Leader

General Information

Information for Carers Regarding Assessment Exit Points

As part of our new Continuous Online Reporting, carers are now receiving information about “Exit Points”.

Most students in Years 7 – 10 undertake a Common Assessment Task (CAT) at the level expected at that time of year, for example, in Year 7, Semester 1, CATs are aimed at 6.5 on the Victorian Curriculum Standards. Some students will undertake a modified assessment that is appropriate to their current level.

The Exits are:

Exit	Description
Emerging Skills	With teacher support, the student has been introduced to skills that are needed to work within the appropriate level of curriculum.
Working Towards the First Level of Complexity	With teacher support, the student can demonstrate skills that are needed to work within the appropriate level of curriculum.
At the First Level of Complexity within the Standard	The student can demonstrate knowledge and skills at the appropriate level of curriculum.
At the Second Level of Complexity within the Standard	The student can demonstrate knowledge and skills at the appropriate level of curriculum and can apply them.
At the Third Level of Complexity within the Standard	The student can demonstrate sound knowledge and skills at the appropriate level of curriculum and is able apply these at a high level.

Uniform Information

Kurnai College Uniform Statement

Years 7 to 10

**School Uniforms are available from Lowes Store, Mid Valley Shopping Centre, Morwell
or may be ordered online at:**

www.lowes.com.au

Layby & Pre-Layby options are available.

ALL SEASONS UNIFORM

DRESS:	Summer Dress
SKIRT:	College Check and Pleated
POLO:	Burgundy/Navy Short Sleeve - Logo
SHORTS:	Navy Microfibre

SUPPAUT

LATROBE REGION PARENT/FAMILY SUPPORT GROUP FOR THOSE WHO HAVE KIDS WITH AUTISM SPECTRUM DISORDER (ASD)

SuppAUT is a parent-run group that aims to support one another as parents /families of a child/children with Autism. The group is open for all, whether your child is a baby, pre-schooler, school aged – specialist school, mainstream school, home-schooled or is an adult – we all need support and can support each other. We share our own experiences, problems, joys, successes and support each other with a listening ear and understanding.

It is a very informal gathering, sometimes a guest speaker is invited. All parents/carers/family members are welcome and children/siblings are welcome too.

TERM 4, 2023 MEETING DATES

FRIDAY 6 OCTOBER & FRIDAY 3 NOVEMBER

Meetings at Daily Living Disability Services 

7 Rocla Road, Traralgon 10am – 11.30am

ALL WELCOME TO COME FOR A CUPPA, MORNING TEA AND A CHAT IN A RELAXED SETTING

CHRISTMAS BREAK UP-

THURSDAY 30TH NOVEMBER

MEET AT La Porchetta, 17 Seymour St, TRARALGON. 11.30AM FOR LUNCH

Please text RSVP to Louise by 27/11

For more info or enquiries about the group phone/text Louise Varsaci 0414540296 or email varsaci@aussiebb.com.au

Join our group on Facebook – SuppAUT Autism support group for families in Latrobe Valley, Victoria

Hey kids – would you like to earn some extra pocket money and exercise at the same time? The Express is looking for people to deliver the paper on either a Tuesday afternoon or Wednesday afternoon (after school).

If you are interested we would love to hear from you. Please call our Distribution Manager on 0456 000 541 for further details.

Express
